Prayer Thank-you Ellen Eigsti says: "I was truly blessed to know that you had a special time of prayer for my healing a couple Sundays ago! We are daily praising God for each miracle day he gives me. I love the cloth that represents healing that you sent home with Christopher. I am keeping it visible so I am often reminded and can thank God for his healing. Keep holding me and our family up in your prayers! Love and prayers to all of the Griner Family."
