*Prayer Request* Richard Kuhns was transferred today to the 5<sup>th</sup> floor, he is in room 531 which is rehab. He is slowly gaining strength and has been feeling better the last few days. If you wish to visit Richard, they are asking that you come after 4pm as he has therapy during the day. Waneta and family are thanking and praising the Lord for his goodness. They thank the church family for their prayers and wish Gods blessings on the church.

*Prayer Needed* **Alayna Nisley** is home and doing well. Her pain is at a manageable level. She is resting and healing. Thank you for the meals and all the beautiful gifts and prayers. **Marietta Miller** was at home, but she may need surgery on her elbow. She would like us to pray that Gods will be done and that he would be with the doctors and nurses as decisions are made about her appointments and treatments. **Lavern Burkholder** is still ill and unable to be up and about. He was anointed this past week. Please continue to lift him and Gertie up in prayer. We are trusting God for healing for all the above members. Thanks to all for the many prayers, Phone calls, and cards to the above members. Lavern and Gerti have expressed that visitors would be welcome. Pray for complete and swift healing for each one.
