*Continued Prayers needed* **Richard Kuhns** Came home on Aug. 28, 2020. He will continue his rehab at home. His family is praising God for his continuous recovery. **Alayna Nisley** @ Home recovering, continue to pray that her journey will have greater ups then downs. **Marietta Miller** @ home her recovery is faster than her doctors expected. Elbow surgery was a success. Now the rehab begins, getting all the ligaments, muscles & tissues working together to regain mobility and flexibility. **Lavern Burkholder** still is unable to walk on his own. He is feeling good otherwise but has a lot of frequent heartburn. Please continue to lift him and Gertie up in prayer. We are trusting God for healing for the above members. Thanks for all the many prayers, Phone calls, and cards to the above members. Pray for complete and swift healing for each one.
