"He who has begun a good work in you will complete it until the day of Jesus Christ."

Philippians 1:6

God is looking for those who believe that what He says is more important than what anyone else says. That what He thinks is more important than what anyone else thinks. That what He wants is more important than what anyone else wants.

That His will is more important than their own.

God is looking for another Noah. Another Meshach. Another Shadrach. Another Abendego.

One person with God is not alone but a majority!

Lotz
