Youth Group The next youth Bible study will be July 15, 2020

Prayer request Richard Kuhns came home last Sunday from the South Bend Hospital. He is still very ill and not able to eat much. Waneta feels he may be doing a little better. Let's pray that God would give the Doctors wisdom to diagnose what is causing Richards Health issues. That he would give them wisdom in how to best treat him to help restore him to health. Pray that Gods healing hand would be over Richard and restore his health. Also Pray for Waneta and family as they deal in daily life caring for Richard.

Prayer let's continue to pray for the church and community that God would protect us from covid-19. That the spread of this disease would decrease and lose its power over our nation. That Gods people would turn back to him and that our nation would be restored.

Plus, during this week, we will give \$5 to youths who deposit at least \$15 to their new or existing youth savings accounts.
