*Continued Prayers needed* **Richard Kuhns** Is home and recovering. **Alayna Nisley** continues her recovery at home. **Marietta Miller** @ home and her recovery is going well. **Lavern Burkholder** came home last Saturday. He has a home health care giver coming in twice a week and helping him with exercises to help him regain his strength. We are trusting God for healing for the above members. Thank-you for all the many prayers, Phone calls, and cards to the above members. Pray for complete and swift healing for each one.

*A reminder.* We are asking that you not bring your coffee into the auditorium. We are seeing spills and stains which are very hard to remove. Thank-you so much for helping us with this problem.
